

CT Lien Solutions—Professional People. Perfected Results.

Only CT Lien Solutions provides the leading technology and services to handle all of your search and filing needs more efficiently and accurately. Whether you use our powerful technology tools to get your work done or let our service experts do the work for you, you can count on the highest standards in public record search, nationwide document retrieval and UCC filing and management—all from a single source.

ONLINE SERVICES

Conduct fast, accurate filings and public record searches and manage your entire portfolio through iLienOnline, our Web-based management solution for all of your UCC activities.

MANUAL SERVICES

Orders for on-site search and retrieval services by our jurisdictional experts can be placed by phone, fax or online.

SPECIAL PROJECTS

Helping our clients tackle large document projects is our specialty, whether you're preparing for a corporate acquisition or simply facing a tight deadline.

INNOVATION RUNS IN THE FAMILY

Flexible, easy to use and designed around your needs, CT Lien Solutions' family of advanced technology solutions and expert services is the leading choice of lending and leasing professionals across the nation. Count on us for the free on-site training, ongoing support and continuous improvement focus to make the most of your UCC Direct solution — now, and as your needs evolve.

CT Lien Solutions is part of CT Corporation, a division of Wolters Kluwer, a multinational publisher and information services company that shares our enduring commitment to supporting the work and knowledge of professionals like you. Wolters Kluwer is headquartered in Amsterdam, the Netherlands.
